INFORMATION IS KNOWLEDGE

About the Resource Directory

This Resource Directory contains information mainly about the Juvenile Justice System in the State of West Bengal. This Directory primarily aims at strengthening communication network and a strong referral among the various service providers for speedy disposal of services to children under Juvenile Justice System. The members of the statutory bodies will be immensely benefitted to establish a channel of communication among themselves and across the districts. Nonetheless the Civil Society will also be greatly benefitted by this information brochure for appropriate referral.
